Press Release

MecSoft Corporation Partners with Dental CAD/CAM Integrator in Italy

Irvine, CA, October 5, 2010: [MecSoft Corporation](#), a global leader in Computer Aided Manufacturing (CAM) software, announced today a VAR partnership with [3D Systems s.r.l.](#), located in Rovito, Italy.

"3D Systems has taken a strong leadership position in the dental CAD/CAM market," stated Ulrich Oehler, CEO of MecSoft Europe GmbH. "In addition to their knowledge of the dental industry, they have a very strong understanding of their customer's unique needs in the architectural, jewelry and manufacturing markets."

3D Systems is a Value Added Reseller for a number of globally recognized products: Roland CNC equipment, Maestro 3D scanners, and Rhino3D solid modeling software. They will resell VisualMILL as well as RhinoCAM, a uniquely integrated CAM solution for Rhino3D that is recognized as a valued partner by [McNeel & Associates](#).

"Becoming a VisualMILL and RhinoCAM VAR will allow us to grow our business," stated Giovanni Moronne, President of 3D Systems. "MecSoft's CAM software is really easy to use, and a very nice value for our customers considering the number of advanced features included."
