Press Release

MecSoft Announces new Reseller in Taiwan

Irvine, CA, November 16, 2011

MecSoft Corporation, a global leader in Computer Aided Manufacturing (CAM) software, announced today a reseller partnership with DimensionWay Co., LTD., located in Taichung City, Taiwan.

Known for its high level of service and technical knowledge, DimensionWay is a distributor of CAD, CAM, FEA and CAE software solutions. DimensionWay will resell MecSoft's full range of products, from the stand-alone CAD/CAM package VisualMILL, to the integrated CAM packages: RhinoCAM and VisualMILL for SolidWorks, a Gold CAM partner solution.

"We are pleased that DimensionWay has made a commitment to offer our CAM solutions to their customers throughout Taiwan," stated Jerry Hiller, Director of International sales at MecSoft. "Their in-depth technical knowledge in Design, Analysis and Manufacturing will enable them to leverage the power of our products to offer their customers better solutions."

About MecSoft Corporation

Headquartered in Irvine, California, MecSoft Corporation is a worldwide leader in providing Computer Aided Manufacturing (CAM) software products for the small to mid-market segments. These products include VisualMILL®, VisualXPORT for Inventor®, VisualMILL for SolidWorks®, RhinoCAM™, Alibre CAM® and VisualTURN®. The software delivers powerful, easy-to-use and affordable solutions for users in the custom manufacturing, rapid tooling, mold making, aerospace, automotive, tool & die, woodworking, and education industries.
