Press Release

MecSoft Corporation Partners with Tecnia S.A.

Irvine, CA, September 24th, 2010: [MecSoft Corporation](http://www.mecsoft.com), a global leader in mid-range CAM software, announced today that Tecnia S.A., located in Argentina, has signed on as a VAR for their VisualMILL CAM software.

"Having partnered with Tecnia for many years prior working at MecSoft, I am well aware of the quality of service and level of professionalism they provide their customers," stated Gerald Hiller, Director of International Sales. "They are one of a handful of qualified VARs in Latin America that can offer complete hardware and software rapid manufacturing solutions."

Established in 1994, Tecnia S.A. is a VAR for globally branded products: Dimension, Fortus, Roland, and Epilog Laser. They will resell VisualMILL software in the countries of Argentina, Bolivia, Paraguay and Uruguay.

"We are very excited to become a VisualMILL VAR for Argentina and surrounding countries," stated Daniel Porreca, President for Tecnia. "VisualMILL is a globally trusted brand and their CAM software fits very well with our customer's unique set of needs."
